

Hello,

This is Blaise Salerno the Winchester school superintendent and today is Monday, February 22. The following information contains details of a necessary change in the planned makeup parent conference date.

Because Pearson Middle School and Academy are closed until Thursday, the makeup day for parent conferences scheduled for all district buildings for Wednesday, February 24 will now be rescheduled to Wednesday, March 3. If this presents a problem please call your building principal.

However, the monthly Parent Teacher Advisory Forum will meet as scheduled tomorrow night at the Hinsdale Elementary School at 7 PM. All are welcome to attend.

The agenda includes an update on the electrical repairs being made at the Pearson Middle School building, a review of a proposed school year calendar for next year and a preliminary review of the budget that I would like to propose for next year.

I hope you will join me thank you and good night
